## **Goal**

I am looking for full time work in a creative environment where I can contribute my skills and learn new things.

## **Education**

### **Algonquin College**

Graduated from the three year Graphic Design program in 2008

## **Experience**

### **Various Freelance Work**

(January 2009 - Present)

Worked on projects like web page design, brochures, ads and business cards for Want Energy Drinks, Squamish Valley Golf club, The Cookie Crumbles, MSDS Binders and others.

### **Nomis Design**

(July 2008 - January 2009)

I started as an intern early in 2008. They were pleased with my work and hired me on full-time in July. I worked on magazine ads, clothing catalogues, clothing design from concept through to production, posters, lightboxes and I even designed a pair of shoes. I learned a lot about the process of designing a piece of clothing and the fashion industry in general.

## **Skills** (Technical and Artistic)

Adobe Creative Suite (photoshop, illustrator, indesign, flash, and dreameaver)

Illustration (drawing, painting, and collage)
